Municipal Notes

COUNCIL NEWS

Winter is finally here; we hope everyone can make time to enjoy the many outdoor recreational activities our area offers during the winter months! Mayor and Council would like to thank everyone who attended the Special Council Meeting for the swearing in of New Council on November 21st. Committee representatives that were appointed at the Council Meeting are posted below; we are all excited to get to work and serve the community!

We'd like to acknowledge the rising cases of COVID and illnesses in our region. The holiday season is a time to spend with family and friends; we hope that everyone is still able to enjoy their holiday activities in a safe manner.

After a year of advocating for the transfer of the old Highway 647 that runs through our airport property it seems that MTO has made their decision. Originally the Ministry wanted the Municipality to pay market value for the sale of the road allowance; however, after conversations with Ministry employees and letters written to Minister Mulroney, MTO has decided the land should be transferred over for no fee. This is a big step forward towards future development at our airport!

There has been a lot of discussions lately regarding our new arena rates; specifically, season passes. Our new season pass prices are based off our daily rates opposed to previous years where there was a fixed fee for a family pass. We are also offering two free public skating and/or pick-up hockey specials where after 10 paid visits your next two visits are free. Arena staff will keep track of your visits to public skating and/or pick-up hockey to track when you receive your two free visits.

Mayor and Council would like to thank everyone who participated and attended "Christmas in the Village" on December 3rd. We'd also like to wish everyone a safe and Happy Holidays!

We are happy to announce we've hired Gord Tourond as our new Woodland Arena Manager! Gord is someone who has been around arenas all his life and brings with him experience and expertise to the job.

Committee Representatives:

Kenora District Services Board (KDSB): Gord Griffiths

Kenora District Municipal Association: Gord Griffiths

Finance Chair: Gord Griffiths

Communities for Safe Living: Gord Griffiths

Machin Police Services Board: Dennis Peterson

Patricia Area Community Endeavours (PACE): Dennis Peterson

Community Development Chair: Dennis Peterson

Home Support Committee: Tony Blair

Recreation Committee Chair: Tony Blair

Committee of Adjustments: Tony Blair & Ron Kujansuu

Public Works Chair: Ray Pilkey

Revitalization Committee: Ray Pilkey

Fire Department: Greg Swanson

Local Citizen Advisory Committee (LCAC): Greg Swanson

Northwestern Health Unit: Trudy Sachowski

Economic Development:

The Municipality is moving forward with our plans to have a Feasibility Study/Cost Projection done for an Ambulance Base & Health Clinic. The proposed location of this potential build is the CP Property which was purchased this year. Having a Feasibility Study/Cost Projection strengthens our chance of being successful with future funding programs which is critical to the success of this project.

We are applying for the Resilient Communities Fund through the Ontario Trillium Foundation for the costs associated with extending the Recreational Facilitator contract two more years. After only 5 months, Carman has had quite the impact on the community! Responsible for yoga classes, art classes, baseball, disco rollerblading, arm chair travel, kids camp, and many other great activities; we hope to have another two years of fully funded programs.

I hope everyone is able to have a fun filled holiday this year! With a lot of grants still submitted and awaiting a decision, I hope to have some good news in the new year!

Max Nagy, EDO

Recreation:

Welcome to December, WOW, where has the last 5 months gone? I am so grateful for all of your support, Thank you! New news, Dryden Native Friendship Centre has had some really great programs run out of the Eagle River Rec Centre; I am encouraging everyone to come and join us. These programs are a lot of fun, free to all, and very informative. Keep an eye on our Facebook

MESSENGER DEADLINE

Submissions for the Machin Messenger must now be in by the **LAST WEDNESDAY** of the month, by noon. **The deadline for the January Messenger will be Wednesday December 28.** Send your submissions to pilmar@sympatico.ca, subject line "Machin Messenger". Ads will need to be pre-paid prior to insertion in the Messenger. **Please note that there are price changes for ads. Call the Municipal Office for details.**

MESSENGER ADS

If you wish to advertise in the Machin Messenger, please call the Municipal Offices at 227-2633 to find out the charge for your ad. Ads will need to be pre-paid.

Municipal Notes cont'd

page and Website for upcoming events. December 7th we'll be having a merchandise bingo and a light lunch at the Eagle River Rec Centre. I've been looking into some new ideas and programs for the new year, please feel free to contact me with any thoughts or ideas you may have. I would like to wish everyone a wonderful holiday season with your family and friends!

Public Works

We have been spending a lot of time working on the Eagle River Rink and trying to bring it up to standards. This task does take a lot of work; any volunteer help would be greatly appreciated! Specifically shovelling snow and flooding the ice would be a great help in keeping the rink in proper form.

Woodland Arena:

November was a successful month; we hosted the Rut Classic Tournament at the beginning of the month and also welcomed Indigenous Sports & Wellness Ontario who hosted an event with the Nolan Brothers! Please continue to check out our Woodland Arena Page and Website for the updated arena schedule each week. Pick-up hockey will continue to run on Monday & Friday each week from 4:00-5:30 and public skating each Tuesday & Wednesday each week from 4:00-5:00 unless otherwise posted.

Woman in the Workplace:

This month we are acknowledging not one, but two of the hard-working women in our community. To start, we'd like to congratulate Gail Munford and Pine Grove Motel on operating for 50 years in the Municipality! Gail has lived in the Municipality for 57 years and has been able to see the community grow as well as adapt to different economic conditions, especially COVID. Being able to operate a small business for that long, especially in a small Municipality, is remarkable. Congratulations to Gail and the Munford Family!

Next, we'd like to talk about Tanya Larson and the No Stress Express Grab & Go! Opening in September of this year, Tanya offers products from other small businesses like the Tasty Touch &

Thumbs up 👍 👎 Thumbs down

Thumbs up 👍 to Mother Nature for providing the kids with great weather for Halloween!

Thumbs up 👍 to al the trick-or-treaters who were so polite and well-behaved.

Property Owners in Vermilion Bay with Aqua Flow units are reminded to turn them on to prevent your water from freezing. Please ensure that they remain on until the middle of April. Should you have any questions please call Shawna Alberts at 227-2064.

Simply Scuffles as well as makes her own soups and sandwiches. When talking with Tanya, she really wanted to focus on supporting our small businesses in the community and not trying to brand herself, rather offer products to the community with a little bit of love in it! For a limited time, Tanya will have Christmas in the Village at the No Stress Express where many local vendors will be offering products in the month of December.

Thank you both to Gail and Tanya for the hard work that you've put into the community and the work you continue to put into the community!

From left: Brad Munford, Tanya Larson, Brayden Larson, Gail Munford.

The Municipality of Machin

Mayor, Councillors and Staff

wish everyone

a very Merry Christmas

and all the best in the New Year.

Machin Council approve of the following water rates for 2023 which is a 2% increase from 2022:

Residential Users	\$118.27 monthly billing
Residential Service Turned Off	\$59.14 monthly billing
Minimum Meter Rate Under 10,000 gal.	\$179.58 monthly billing
Meter Rate for 10,000 to 50,000 gal.	\$.018282 gal.
Meter Rate for next 50,000 gal.	\$.016356 gal.
Meter Rate for next 999,999 gal.	\$.007549 gal.
Meter Service Turned Off	\$89.79 monthly billing
Turn On and Off Charge	\$50.00
Sale of Water	\$.18 gal.

Under Water Ontario Regulation 453/07, the Municipality of Machin has been Legislated to increase the Water Rate by 2% for the next eight years.

Machin Council and Staff have approved the following hours of operation over the 2022 Christmas/New Year's period as follows:

Municipal Office

Closed December 26, 2022 to January 2, 2023

Public Works Department

Will operate their regular hours but will be closed on the following:
December 26 (full day), 27 (full day), 2022 and January 2, 2023 (full day).
If it snows and is required Public Works will be plowing.

Woodland Arena

Woodland Arena will be closed to the public from December 24, 2022 to January 3, 2023 inclusive, but will accept private rentals upon request at the Manager's discretion.

Landfill Sites (Vermilion Bay and Eagle River)

Open regular hours.

Eagle River Rink

To Be Announced depending on ice conditions.

**Christmas Hours of Operation for the Senior's Bus:
December 6, 8, 13, 15, 20, 22 call 227-2633 or 529-4485
to book your ride.
Starting back up January 3, 2023.
Merry Christmas from Irene & Gord.**

'Tis the Season to Be Fire Safe!

Prevent these leading causes of fire during the Holidays:

- Cooking – Always stay in the kitchen while cooking. If you must leave turn off the stove.
- Heating Equipment – Heating systems and chimneys should be inspected and cleaned annually by a qualified service technician.
- Smoking – Butt-out cigarettes in large, deep ashtrays. Ashes should be emptied in a metal container, not the garbage can, and put outside.
- Alcohol – Drink responsibly. Attempting to cook or smoke while under the influence is too often a contributing factor in house fires.

Fire safety for Holiday decorations:

- Lights – Some lights are only for indoor or outdoor use. Use the appropriate lights.
- Make sure lights have the logo of a recognized safety standards agency such as CSA or ULC
- Read the manufacturer's instructions for the number and types of light strands that can be strung together safely.
- Replace any string of lights that have worn or broken cords or loose bulb connections.
- Always turn off indoor decorative lights before leaving home or going to bed.
- Trees – If choosing a real tree, pick one that has been freshly cut; needles should not fall off when touched.
- Make a fresh cut 5cms (2") off the base of the trunk before placing the tree in the stand.
- Keep the tree stand full of water.
- Make sure the tree is at least 1 metre (3 feet) away from any heat source.
- Never place lit candles on the tree.
- Discard the tree when it dries out and large amounts of needles begin to fall off.
- Candles – Keep candles in a sturdy holder away from children, pets and anything that can burn. Blow candles out before leaving the room.

Remember fire moves faster than you:

- Install smoke and carbon monoxide alarms in your home and test them every month.
- Have a home escape plan with a meeting place outside.
- Make sure everyone in household knows the home escape plan and what to do if they hear the smoke or CO alarm.

Contact Machin Volunteer Fire and First Response to receive a smoke/CO alarm, for fire safety information including how to make a home escape plan, to volunteer at the department, or any other information:
On Facebook or Instagram: @machinfire – by email: machinfire@bellnet.ca – by mail: PO Box 249, Vermilion Bay, ON P0V 2V0

Christmas in the Village on December 3 was a huge success. Starting with the craft market at the Lions Hall, thank you Eagle Lake Skating Club for putting it on and all the crafters who took part.

Next up was the CP Holiday Train, which was great to see after 2 years. We were given a great show by Jenille Townes & Aysanbee. Machin Area Helping Hands was presented with a \$2500.00 cheque from CP Rail, which will be an immense help in distributing hampers to the needy. A thank you to Hale's Fisheries for the generous donation of fresh fish from Eagle Lake for the staff and entertainers on the train. Thank you to all the people who showed up for the show. Thank you, Helping Hands, for the hot chocolate that kept us warm during the show, and Santa for making an appearance and treating us with candy canes.

After the train left, everyone's next stop was to go ahead to the Woodland Arena parking lot to enjoy a bonfire, hot chocolate and smores, all courtesy of Bruyere's Bobcat Service. Thank you Norbert & Rose.

And then it started getting dark and floats started to arrive at the Fire Hall. This was Machin's first night parade that we have taken on, and it was outstanding! Thank you to all who decorated floats, rode on the floats, drove the floats, and braved the cold to watch the Parade. Thank you to the Fire dept. for stepping up to lead the parade when OPP did not show. Thank you, Santa for taking the time from your busy schedule to take part not only in our parade but make special appearances throughout our community.

To finish off the day a free skate along with free hot dogs & hot chocolate were supplied courtesy of The Municipality of Machin. Santa apologizes that he could not stay the whole time at the arena, but duty called Mrs. Claus was having problems with the elves. Thank you, arena staff.

I would like to sign off by saying thank you, to Council, Staff, and all the volunteers too many to name. Finally thank you, to everyone who came out and supported "Christmas in the Village".

Merry Christmas and Happy New Year, see you next year.

Lillian Berg School

We are nearing the end of November, and somehow it seems, students are sliding into a festive spirit.

It was very windy and cold, but students braved the weather to attend this year's Remembrance Day celebration. They understood the significance of the day, learning about past and present wars, the sacrifice of soldiers, and having received printed learning materials from the Veteran's Affairs Ministry. Primary classes and our Kindergarten class created beautiful artwork with poppies.

Lillian Berg School's "Christmas Wrap" fundraiser was very successful, and we are grateful for the amazing support we are receiving from our school families.

The Dryden Trillium Lions visited to present the "Lion's Safari" to our Grade 5 – 8 classes, to help our Grade 3 and 4 students understand how the Lions Club locally & internationally help people with their eyesight.

We also planned a "Safety" presentation facilitated by the OPP, which had to be canceled and postponed due to an emergency.

We sincerely thank Mrs. Brechtefeld, and the local Lions "Lunch" volunteers who assist us to offer a weekly hot lunch to students. More than half of our students are signed up every week. An amazing bonus are several of our Gr. 7/8 students, who are getting valuable work experience with kitchen skills as well as serving and etiquette skills. It seems every week they are becoming more responsible and motivated to be outstanding role models for the younger students that participate in the "Hot Lunch" program.!

Thank you to Tasha for the donation of potatoes and preparing packages for our "NOW" program!

Two of our Grade 8 students, Hunter Mireault and Finley Owzarek just returned from Thunder Bay,

where they attended a "Skills Canada" workshop. They were able to explore many career opportunities in the trades and technology sectors.

Our school will host a "Book Fair" December 5th to 7th in the Library area. Students and parents/caregiver can browse a great selection of books to purchase. We have not worked out all the logistics, but we will make sure, every student has a chance to visit the "Book Fair" during regular school hours. Please contact LBS, if you have any questions.

We are looking forward to December, celebrating winter and Christmas, with crafts, ideas of sharing and mindful & happy spirits.

We are wishing everyone in our communities a wonderful Christmas Season and joyous time during the Holidays!

School will end on December 16th, 2022 and resume on January 3rd, 2023.

Annual Holiday Party

at
The BAYVIEW

Vermilion Bay • 277-2603

Sat., Dec. 17 • 9 - 1 am

Live Music & Dancing

Late nite "Schnibble" buffet provided.

Age of Majority - IDs will be checked

Any current COVID rules will apply. (hoping there won't be any!)

Please don't drink & drive!

The Vermilion Bay

Kinsmen and Kinettes

would like to wish everyone

a safe and happy holidays

enjoying the company of friends and family.

Merry
Christmas

On behalf of the entire Points North Family Health Team – Machin Medical Clinic, we wish you all a wonderful holiday season filled with love, health and happiness!

May your New Year be filled with excitement, adventure and all the simple pleasures in life, and may the warm spirit of our beautiful community, swaddle you in comfort and promise through the winter months ahead!

(Our office hours through the holiday season are as follows: We will be closed December 26th, 27th, 29th, 30th and January 2nd. We will be open on December 28th and will resume normal hours January 3rd, 2023.)

The Ontario Seniors Dental Care Program provides free dental care to eligible low-income seniors. To apply, seniors must be 65 or older with no dental benefits and have an annual net income below \$22,200 (for individuals) or \$37,100 (combined for couple).

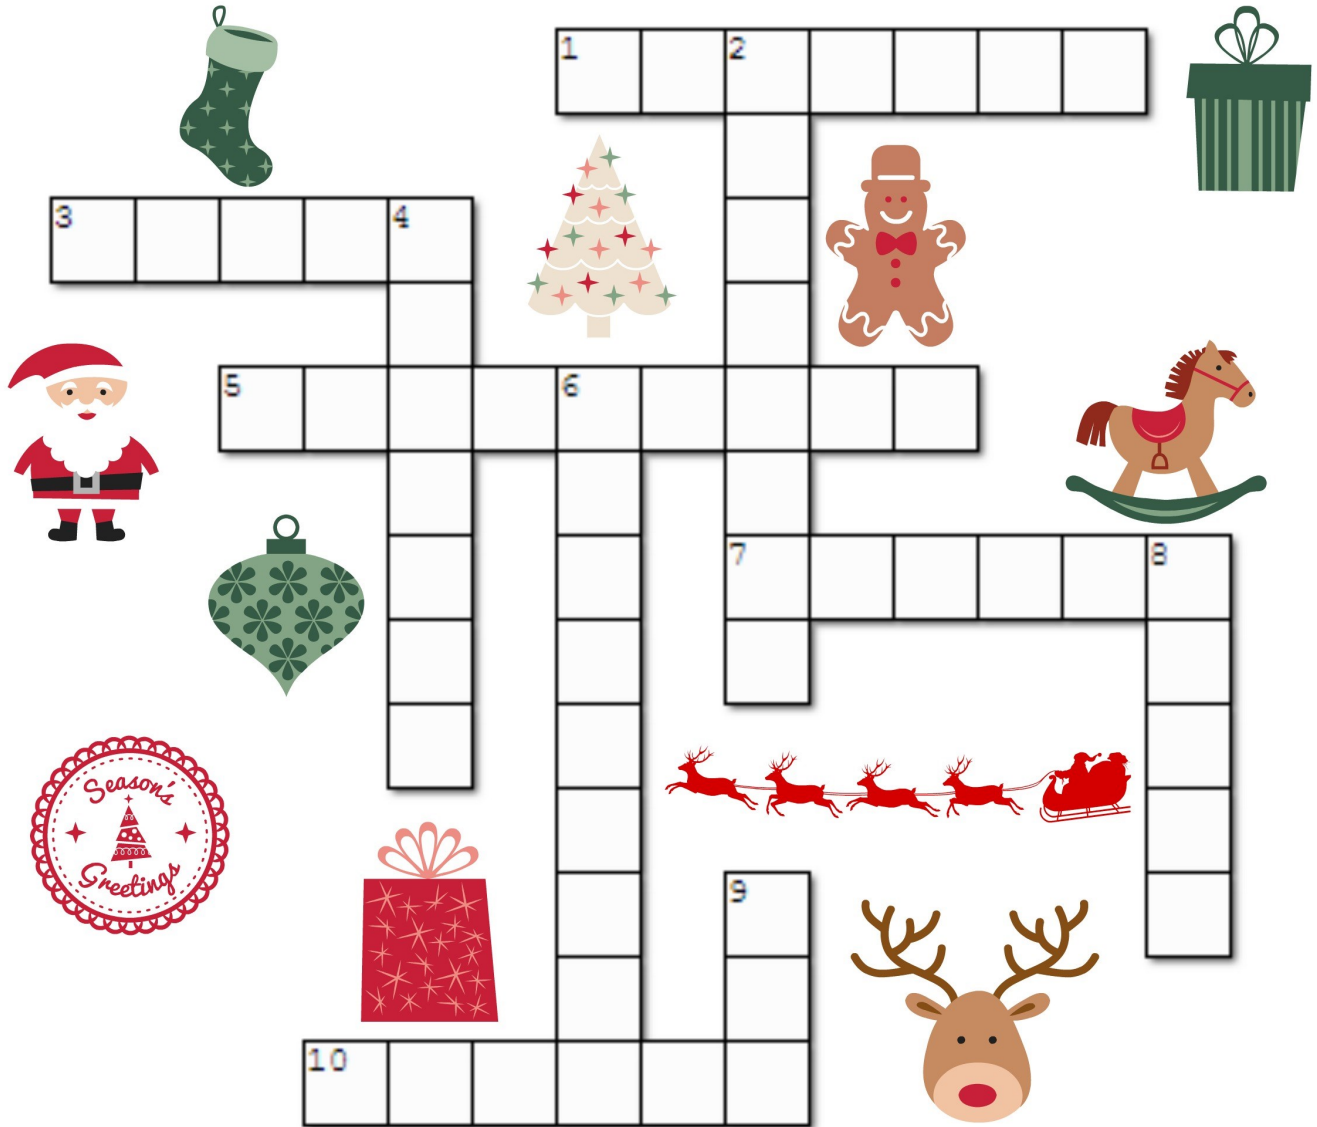

NWHU dental staff can answer questions about the program and complete applications. NWHU provides dental services in our new clinic in our shared space with Kenora District Services Board (KDSB) at 20 King St in Dryden. [or we can help find an appropriate dental provider elsewhere]

Contact the NWHU dental team to learn more or apply: 1-855-407-6453 or dentalhealth@nwhu.on.ca. Applications can also be completed online at www.ontario.ca/SeniorsDental.
